OUR PRIVACY POLICY

Our Privacy Policy and You:

The St. Eugene Golf Resort and Casino has adopted the Personal Information Protection & Electronic Documents Act which governs the collection, use, and disclosure of personal information, and has identified a Privacy Commissioner in the company who is specifically responsible for our compliance with the Act.

We consider personal information to be only that information deemed necessary to communicate special events, functions, and services at the St. Eugene Golf Resort and Casino to our seasonal pass holders.

Our Commitment to Your Privacy:

The St. Eugene Golf Resort and Casino will not disclose the personal information we have collected to anyone else, and we will not permit anyone else access to your personal information for any purpose except as permitted by legislation or with your consent.

The St. Eugene Golf Resort and Casino will maintain all of the personal information in our possession in the most accurate, complete, and up-to-date form as possible. Appropriate safeguards put in place by the company shall protect personal information.

Access and Contacting Us:

The St. Eugene Golf Resort and Casino will provide you with access to your personal information (in our possession). We will make all appropriate corrections and updates to this information upon your request.
